

## **CURRICULUM VITAE**

### **I. Personal Information**

- \* **Name:** Fuad Mohammed Shaif Farea
- \* **Date & Place of birth:** 20/08/1971, Taiz, Yemen
- \* **Gender:** Male
- \* **Address:** 1- Al-kamb street, malaeb-B
- \* **E-mail:** [histo-fuad@hotmail.com](mailto:histo-fuad@hotmail.com)
- \* **Telephone:** Home: 9674223300, 9674427187  
Mobile: 711895904, 775212784
- \* **Nationality:** Yemeni
- \* **Social Status:** Married

### **II. Present appointment:**

Assistant professor of Histology, Faculty of Medicine Taiz University since December 2012.

### **III. QUALIFICATIONS:**

1 . **M.B. B.:** Jule, 1997

Grade: Very Good with Honour Degree

Faculty of Medicine, Kursk State Medical University

2. **Diploma** in Computer science, 1999, Taiz, Yemen.

3. **Diploma** in ECG (electro-cardiograph), 1994, Kursk, Russia.

4. **Diploma** in Biologic Massage, 1992, Kursk, Russia.

5. **M.Sc.:** Basic Medical Science

Histology & Pathology), May, 2003)

Grade: Excellent

Orenburg State Medical Academy

6. **PhD. :** Histology, Cytology & Embryology, April, 2005

Orenburg State Medical Academy

### **IV. PAST APPOINTMENT:**

**1. Rotating Intern:** Khawlan Hospital, Ministry of Health Sanaa (1997-1998) & Al-Tawoon Hospital, Taiz (1998-2000)

**2. Demonstrator:** Histology Department, Faculty of Medicine Taiz University (1998-1999)

**3. Assistant Lecturer:** Histology Department, Faculty of Medicine, Taiz University (2005-2008)

**4. Lecturer:** Histology Department, Faculty of Medicine, Taiz University (2008-2011)

**5. Associate Professor:** Histology Department, Faculty of medicine, Taiz University (2012-2016).

**6- Associate Professor:** Pathology Department, of Althawra General Hospital, Taiz (2007-2015).

## **V. KNOWLEDGE OF LANGUAGE:**

1. Arabic mother language.
2. Russian excellent command written and spoken.
3. English excellent command written and spoken.

## **VI. SUPERVISION OF THESES**

Histological and Histochemical study on The Effect of Atropine on Some Parenchymatous Organs of Rat M.Sc. Thesis Histology,2000

Histological and Immunohistochemical Study on the Effects of Atropine on Some Organs of the Male cardiovascular System of the Albino Rat M.D. Thesis Histology,2000

Histological and Immunohistochemical Study on the Effects of Neuropeptides hormones on the Male cardiac muscle cells of the Albino Rat M.D. Thesis Histology,2001

Histological and Ultrastructural Study on effects of stressors factors on the male myocardial compartments of the Albino Rat M.D. Thesis Histology,2001.

## **VII. TITLE OF THE PhD DISSERTATION**

**Morpho-functional characteristics of the hypothalamo-hypophysial neurosecretory system and cardiac muscle cells, experimental investigation**

## **VIII. MEMBERSHIP IN PROFESSIONAL ASSOCIATIONS**

- 1- Member of the Yemeni Syndicate for Physicians
- 2- Yemeni Society of Histology and Cytology
- 3- Yemeni Society of Basic Medical Science
- 4- Chief dep. of Histology, Medical Faculty of Taiz University
- 5- Vice dean of student affairs, Medical Faculty of Taiz University
- 6- Association Profess of Staff Althawra General Hospital, of lab Pathology
- 7- Chief of Nursing division, Medical Faculty of Taiz University, 2016
- 8- Vice dean of higher education and scientific research affairs, Medical Faculty of Taiz University, 2013-2015

### **Academic Appointment**

- 1- 2005- 2011 Lecturer at Medical Faculty, department of Histology and cell biology of Taiz University.
- 2- 2007-2011 Chief dep. of Histology, Medical Faculty of Taiz University.
- 3- 2008-2011 Vice dean of student affairs, Medical Faculty of Taiz University.
- 4- 2009 Association Profess of Staff Althawra General Hospital, dep. of Pathology.
- 5- Asso. Profess department of Histology and cell biology of Medical Faculty, Taiz University 2012.

### **IX. PARTICIPATION IN SCIENTIFIC CONFERENCES**

- 1- International Conference of Neurophysiology 2001, San-Petrosburg, Russia.
- 2- Conference of Anatomists and Biologists Rights, 2002; Kazan, Tatarstan Russia.
- 3- Regional Conference of the young researchers, 2000; Orenbug- Russia.
- 4- Regional Conference of the young researchers, 2004; Orenbug- Russia.
- 5- Yemeni-Saudi conference allergies and immune system, 2007; Taiz Yemen.
- 6- Conference of the cardiologists, 2009; Taiz, Yemen
- 7- Conference "The relationship between the researcher and supervisor" 2007 Aden; Yemen.
- 8- Conference "Redaction of malarial disease in Yemen" 2007 Taiz, Yemen.
- 9- The first students Scientific Conference "The best graduation research in Taiz U", Taiz, Yemen.

### **X. PUBLICATIONS**

#### **List of papers:**

## **XI. TEACHING ACTIVITIES**

My job as a Professor of Histology in the Department of Histology Faculty Of medicine, Taiz University, entails fulfillment of the following responsibilities:

1- Teaching tutorial classes for, first, second and third years, medical students

Acting as organizer for all 2<sup>nd</sup> year affairs as weekly preparation of data show slides, preparing monthly quiz and practical exams, correcting the .exams and analyzing results of exams

2- Supervising preparation and performance of practical tutorial classes for medical students and dentistry medical students

3- Teaching lectures for medical students

4- Teaching theoretical and practical classes for first and second years pharmacy students

.5- Correction of exam papers

.6- Participation in seminars in Histology department

## **XII. OTHER ACTIVITIES**

Share by different activities with "Hadramot Accreditation Program Committee" organized by the Medical Education Development Center (MEDIC):

1- Sharing in designing the "Histology Strategic Research Plan" (2010-2015) in the Histology Department .This strategic plan reflects the design for the development of the Histology department over five year's period from 2010 to 2015. Within the department, acting on organization and ensuring proper implementation of the plan

2) A member of "Postgraduate Control Committee"

3)One of the editors of histology books prepared by staff members for first and second years medical students in Faculty of medicine, Taiz University.

4) Received 2 "Appreciation Certificates" from the Dean and Vice Dean for Students' Affairs, appreciating my efforts as a lecturer in improving the educational process in our Faculty.

5) Sharing in the establishment of Electron Microscopy Unit of Histology Department, Faculty of Medicine, Taiz University.

6)Sharing in the establishment of the Scientific Library, Department of Histology, Faculty of Medicine, Taiz University.

7) Attending many of the Training Courses and Workshops organized in the Medical Education Development Center.

## **XIII. Training Courses and Workshops:**

Attended the following courses held in school of Medicine, organized by the "Faculty and Leadership Developmental Project" and held in the Medical Education development Center.

1) "Curriculum development", August 2006.

2) "Scientific Writing and Publishing workshop", August, 2006.

3) "Medical Ethics", January 2007

4) "Total Quality Management", February 2007.

- 5) "Communication Skills", May 2007.
- 6) "Teaching methods", Effective Teaching, June 2007.
- 7) "Assessment Workshop", December 2008, involving guidelines and instructions for "Criteria of A Good Exam"; written exams, problem solving, oral exams, OSCE and OSPE.
- 8) "Objective Written Exam", December, 2009.
- 9) "Course Specification", December, 2009.
- 10) "Integration in Medical Education", January, 2010.
- 11) "Objective Structured Clinical/Practical Examination", February, 2010.
- 12) "Objective Written Exam", May, 2010.
