Nationality

Sudanese

Gender

Female

Summary

A postgraduate-qualified chemist holds BSc in chemistry, and MSc in biochemistry with broad scientific knowledge and technical experience in different areas of laboratory technology, having a particular interest and expertise in enzyme assays. Highly motivated team player and has three years experience in medical biochemistry laboratory, organizing, supporting and developing biomedical research laboratory facilities. Has an excellent ability to prepare reports, plan projects and deliver presentations on specialized scientific subjects.

## Work experience

Occupation or position held

Research assistant

Name and address of employer

Asaad Khalid.Phd, Head of the biochemistry laboratory at the Medicinal and Aromatic Plants Institute. The National Centre for Research P.O. Box.2404/ Khartoum /Sudan

Date

May 2011- April 2016

Occupation position held

Scientific Sales representative

Name of employer

Medicana Co. Ltd.

Date

May 2012 – December 2012

## Education and Training

Dates

2014- 2016

Title of qualification awarded

MSc

Principal subjects

Biochemistry
